

Round 1

Qld PPX Super Series

Saturday 14th March 2026

CHARTERS TOWERS GO-KART TRACK

Plum Tree Road / Flinders H'way, Charters Towers (3km east of Charters Towers)

Event Starting Time : 4.00pm

Event Duration : 6 hours 40 minutes - Finishes at 10.40pm

General Conditions for the Event:

Each team **MUST** pit and make a rider change approximately every 20 minutes. This will allow for students new to Pedal Prix to get used to the bikes, changing riders and riding the bikes in traffic. There will be **twenty** 20 minute intervals where riders change throughout the event - Riders may come in before the 20 minute marks, **BUT** the bike will be asked to change over a rider on the normal 20 minute mark. All riders get several opportunities to compete and have a ride.

The event timing **DOES NOT STOP** during rider changes

All other PEDAL PRIX rules and regulations remain the same.
